

# Company Profile

## Twintech Controls Svstems Pvt.

4, Vishvaganga Complex, Anandnagar,  
Sinhagad Road, Pune 411051

Tel : +91-20-24355599

Fax: +91-20-24359944

Email : sales@twintech.in

Web: www.twintech.in

## About Us

**Expertise and Excellence in Top Quality Digital Electronic Instruments/ Devices, unique in their applications and industrial uses.**

**Company with a Customer Oriented Approach**

**Experience in the Field of Electronics for more than 20 years**

**Twintech Control Systems Pvt. Ltd.** are the makers of world class electronic process control instruments such as Temperature Indicators , Temperature controllers, Temperature Indicating Scanners , Digital Tacho-Meters , Digital Tacho-Hour- meters & various types of Magnetic Pickups. We also design various types of testing instruments & simulators for diesel engine and automotive application. Recently we have started working in the field of renewable energy sources such as solar and wind.

The company is in this production activity for the past **22 years** with an annual turnover of Rs 1.5 Crores.

## Products range

**Tacho Hour Meter**

**Speed Sensor / Magnetic Pickup**

**Temperature Indicator /Controller**

**Temperature Indicator Scanner**

**Process Indicators/Controllers**

**Engine Simulators**

**Custom Test Jigs**

**Control Panel Simulators**

## Production Capacity

The production capacity of Twintech Control Systems Pvt. Ltd has been expanded to meet the specific additional requirements of its clients. The additions for expansions in production facilities were required to meet the demand for process control instruments such as Magnetic Pickups ( Speed Sensors ), Tachometers, Tacho-hour meters, Temperature Indicating Controllers, Exhaust Temperature gauge , Safety Control Device Test Rig Kit , Specific Electronic Control Panels and required by **Cummins India Limited , Greaves Cotton India Ltd., Caterpillar India Pvt. Ltd., NMHG Ltd.** and many other MNC,s & small medium scale production units in various sectors.

The company has concrete plans for business expansion. One of the major steps taken by the company in this direction is that the company had obtained **ISO 9001:2000 certifications** for the scope '**Design & manufacturing of electronic instruments for Automotive Industries, Engineering & manufacturing process industries**'.

## Technological Improvements

**Twintech Control Systems Pvt. Ltd.** believes in maintaining high quality standards by incorporating better manufacturing methods and standard testing procedures that conform to the desired specifications set by its customers.

We are designing & manufacturing the products by using latest microcontroller Technology to reduce costs & enhance the quality & features in our products.

## **Our Clientele**

Twintech Controls Systems Pvt. Ltd. is offering services throughout India. We are working as OEM's of many Multinational companies. We're proud to count among our clients some of the most well-known and successful brands.

**Cummins India Limited**

**Cummins Sales and Service India Limited**

**Caterpillar India Private Limited**

**NMHG India Limited**

**Greaves Cotton**

**Tata Motors**

**Jakson Engineers Limited**

**Powerica Limited**

**Sudhir Gensets**

**Machine Prototype Factory, Ambarnath (DoD)**

**North Western Railways**

**South Central Railways**

**Sedemac Mechatronics**

**Suyash Solutions Private Limited**
